Movie Actresses and Their Hair

every movie actress you have seen has levely hair, while the most chief hearty? In fact (this is a secret), many are leading ladies just because of their attractive ocks inquiry among them disoses the fact that they bring out by careful shampooing, not with any soap or makeshift, but with a simple mixture which they make up for themselves by putting a teaspeenful of canthrex (which they get from the druggist), in a cup of hot water and applying this instead of soap. After its use their hair dries rapidly, with uniform color, randruff, excess oil and dirt are dissolved and entirely disappear. The hair is so fluffy that it looks much heavier than it is. Its luster and softness is delightful, while the stimulated scain gains the health which insures hair growth—Adv.
